

Press release

New employee sales and project management RooSy

Boris Emge is supporting the sales and project management of medifa hygienic rooms GmbH in Ötigheim since 15.10.2019.

After graduating as Bachelor of Science in Hospital Technology Management at the Technical University in Gießen, Mr. Emge worked for Getinge Hospital Solutions GmbH for many years in the field of hospital planning and project management for modular room systems.

At medifa, Boris Emge will contribute his experience as project manager for construction projects in Germany and Switzerland, as well as in the field of hospital planning, as project manager and sales of the modular room system RooSy and support the existing team with his knowledge.

"The challenge to participate in the complete handling of projects and the pleasure in the implementation directly at the customer has made me do this change. From planning to project management, production, logistics, assembly and site support, at medifa everything comes from a single source. I am looking forward to supporting the customers in all phases of the project", says Boris Emge.

"With Mr. Emge we were able to win an experienced project manager for modular room systems for medifa, with whose skills and knowledge we will be able to support our customers even better in the future. We are very pleased about his support and look forward to a good cooperation," explains Matthias Ritschel, managing partner of medifa hygienic rooms GmbH.

Company

The medifa healthcare group unites competence concerning operating rooms under one roof.

medifa is an owner-run and internationally active complete solution provider in the medical technology. The product and service portfolio covers all operating room requirements from modular wall, door, ceiling and cabinet systems (RooSy® Room Systems) for the turnkey operating room, as well as mobile operating tables and operating room accessories, right up to examination chairs and medical furniture.

In addition, one of the largest German OEM suppliers in the medical technology sector also belongs to medifa.

medifa GmbH & Co. KG (Finnentrop), medifa hygienic rooms GmbH (Ötigheim) and medifa metall und medizintechnik GmbH in Rastatt are all part of this group of companies. The medifa healthcare group employs approximately 350 employees at three locations within Germany. The planning, engineering and production take place exclusively in Germany, and with over 90% added value in the group of companies, the group guarantees fast reaction times.

At medifa®, the slogan “we care” means that the company consistently orientates itself according to the requirements of its customers. Customers all over the world can rely on top-class consultation, processing and quality from a single source, made in Germany according to certified national and international quality standards.
