 $0^{\circ}$  up to  $+46^{\circ}$

### Multifunctional table with two-part lying surface

**Art.-no. 112802**

- Electromechanical height adjustment from 580 to 980 mm
- Electromechanical head section adjustment from -27° up to +40°
- Electromechanical Trendelenburg adjustment from -22° up to +22°
- Frame colour: White (RAL 9010)
- Easy adjustment of powered functions by foot switch
- Upholstery thickness: 70 mm
- Safety load: 225 kg
- Lying surface: 1960 x 650 mm
- Floor space required: 1750 x 620 mm
- Power supply: 230 V / 50-60 Hz

### Shown Accessories:

**85200**

Side rails

**83201**

Nose slit incl. filling pad

### Multifunctional table with three-part lying surface

**Art.-no. 112805**

- Electromechanical height adjustment from 580 to 980 mm
- Electromechanical head section adjustment from -27° up to +40°
- Electromechanical Trendelenburg adjustment from -22° up to +22°
- Electromechanical back section adjustment from 0° up to +46°
- Frame colour: White (RAL 9010)
- Easy adjustment of powered functions by foot switch
- Upholstery thickness: 70 mm
- Safety load: 225 kg
- Lying surface: 1960 x 650 mm
- Floor space required: 1750 x 620 mm
- Power supply: 230 V / 50-60 Hz

### Shown Accessories:

**112898**

Mobility white

**85200**

Side rails

**81700**

Leg holders according to Goepel Classic

**81710**

Artificial leather cover of leg holders in colour of upholstery

**1128530**

Hand grips white

**28531**

Artificial leather covering of hand grips

Artificial leather cover of leg holders in colour of upholstery, pair

**Art.-no. 61511**  
Clamp for fixation of accessories with round rod (18 mm), rotatable

**Art.-no. 61211**  
Arm rest, rotatable and tiltable by means of ball joint, height adjustable, horizontally slidable, incl. clamp and fixture strap, upholstery made of PUR (H = 40 mm), L x W: 400 x 115 mm

The medifa healthcare group unites competence concerning operating rooms under one roof.

medifa is an owner-run and internationally active complete solution provider in the medical technology.

The product and service portfolio covers all operating room requirements from modular wall, door, ceiling and cabinet systems (RooSy® Room Systems) for the turnkey operating room, as well as mobile operating tables, operating table accessories and operating lights, right up to examination chairs and medical

furniture. In addition, one of the largest German OEM suppliers in the medical technology sector also belongs to medifa.

medifa GmbH & Co. KG (Finnentrop), medifa hygienic rooms GmbH (Ötigheim) and medifa metall und medizintechnik GmbH in Rastatt are all part of this group of companies. The medifa healthcare group employs approximately 350 employees at three locations within Germany. The planning, engineering and production

take place exclusively in Germany, and with over 90% added value in the group of companies, the group guarantees fast reaction times.

The slogan “we care” means for us that we consistently orientate ourselves according to the requirements of our customers. Customers all over the world can rely on top-class consultation, processing and quality from a single source, made in Germany according to certified national and international quality standards.
