medifa continues growth path

medifa healthcare group and Cathay Capital announce international partnership

On July 24th, 2019 Cathay Capital takes a 27.5% stake in medifa healthcare group. With approximately EUR 3 billion in assets under management and branches in New York, Shanghai, Beijing, Paris, Munich and San Francisco, the new shareholder will support the international growth track of medifa healthcare group GmbH. The management of the medifa group remains unchanged.

"Since the takeover of the production facilities of the world market leader for operating tables in 2015 and the takeover of medifa KG in Finnentrop in 2017, the medifa healthcare group has experienced enormous growth. The next steps in the global market for medical equipment involve the establishment of further international locations and the introduction of complementary innovative products. With the support of Cathay Capital, the medifa group is perfectly positioned for this opportunity," explains Dr. Wolfgang Hohnhaus, Managing Partner of the medifa healthcare group.

"medifa is already an internationally successful company with first-class products in its field. We want to strengthen the brand sustainably by expanding our international locations. At the same time, we will leverage potentials that arise for medifa in interaction with Cathay's international network, in particular regarding the Chinese market", says Mingpo Cai, Founder and Partner at Cathay Capital.

Press Release

"The new network is a valuable building block for us to successfully expand our commitment in the medical technology sector. We are very much looking forward to the new opportunities and working together with the partners, customers and the entire team of Cathay Capital," explains Christian Keller, Managing Partner of medifa healthcare group GmbH. The medifa healthcare group employs approximately 350 employees at three locations within Germany. The planning, engineering and production take place exclusively in Germany, and with over 90% added value in the group of companies, the group guarantees fast reaction times.

At medifa, the slogan "we care" means that the company consistently orientates itself according to the requirements of its customers. Customers all over the world can rely on top-class consultation, processing and quality from a single source, Made in Germany according to certified national and international quality standards.
